

Project STRIVE

9 Key Messages for Students

- ❖ Between 8:00 a.m. and 3:30 p.m., the laptop is to be used exclusively to enhance and compliment learning and achievement.
- ❖ The laptop is a great tool to improve student achievement; it is not a recreational toy.
- ❖ Students will learn 21st Century Skills and how to use technology tools.
- ❖ The laptop and all the content on the hard drive are owned by Sidney Community School District.
- ❖ The computer will be secured at all times and in the protective case when not being used.
- ❖ Any time the network is accessed, a recorded electronic trail is available for inspection.
- ❖ Material on the hard drive will be appropriate and in good taste.
- ❖ A cooperative relationship will be promoted for all stakeholders.
- ❖ The effectiveness of the Project STRIVE initiative will be assessed.
