

**2011 -2012 Preschool Student/Parent Handbook  
Parent/Guardian Signature Sheet**

The Sidney Community Schools and Great Beginnings Preschool make a preschool student handbook available to each preschool student's family. The handbook contains rules and general information affecting students throughout the school year. We ask that you carefully review the contents of this handbook and if you have any questions, please contact the principal at 374-2647.

I (we) have read and discussed the information contained in this handbook regarding our child's \_\_\_\_\_ preschool.
