BOARD OF DIRECTORS’ LEGAL COUNSEL

It shall be the responsibility of the board to employ legal counsel to assist the board and the administration in carrying out their duties with respect to the numerous legal issues confronting the school district. The board may appoint legal counsel at its annual meeting.

The superintendent shall have the authority to contact the board’s legal counsel on behalf of the board when the superintendent believes it is necessary for the management of the school district. The board president may contact and seek advice from the school board’s legal counsel. The board’s legal counsel shall attend both regular and special school board meetings upon the request of the board or the superintendent. Board members may contact legal counsel upon approval of a majority of the board. It shall be the responsibility of each board member to pay the legal fees, if any, of an attorney the board member consulted regarding matters of the school district unless the board has authorized the board member to consult an attorney on the matter.

It shall be the responsibility of the superintendent to keep the board informed of matters for which legal counsel was consulted, particularly if the legal services will involve unusual expense for the school district.

NOTE: It is recommended that both the superintendent and board president have authority to contact the board’s legal counsel without prior approval of the board. If other individuals have this authority, the board secretary for example, then they, too, should be listed in this policy.

AD HOC COMMITTEES

Whenever the board deems it necessary, the board may appoint a committee of composed of citizens, staff or students to assist the board. Committees formed by the board shall be ad hoc committees.

An ad hoc committee is formed by board resolution, which shall outline the duties and purpose of the committee. The committee is advisory in nature and has no duty or responsibility other than that specifically stated in the board resolution. The committee shall automatically dissolve upon the delivery of its final recommendation to the board or upon completion of the duties outlined in the board resolution. The board will receive the report of the committee for consideration. The board retains the authority to make a final decision on the issue. The committee will be subject to the open meetings law if the committee is established by statute or if the committee makes policy recommendations and is established by or approved by the board.

The method for selection of committee members shall be stated in the board resolution. When possible, and when the necessary expertise required allows, the committee members will be representative of the school district community and shall consider the various viewpoints on the issue. The board may designate a board member and the superintendent to serve on an ad hoc committee. The committee will select its own chairperson, unless the board designates otherwise.

NOTE: As a result of a change in the open meetings law, most, if not all, board committees will be subject to the open meetings law just as the board is. The only difference between the two bodies is that committees are not required to publish their minutes. That is only a requirement specifically for school boards, not a requirement of the open meetings law.

AD HOC COMMITTEES EXHIBIT

Ad Hoc Committee Purpose and Function

The specific purpose of each ad hoc committee varies. Generally, the primary function of an ad hoc committee is to give specific advice and suggestions. The advice and suggestions should focus on the purpose and duties stated in the board resolution establishing the committee. It is the board's role to take action based on information received from the ad hoc committee and other sources. Ad hoc committees may be subject to the open meetings law.

Role of an Ad Hoc Committee Member

The primary role of an ad hoc committee member is to be a productive, positive member of the committee. In doing so, it is important to listen to and respect the opinions of others. When the ad hoc committee makes a recommendation to the board, it is important for the ad hoc committee members to support the majority decision of the ad hoc committee. An ad hoc committee will function best when its members work within the committee framework and bring items of business to the ad hoc committee.

Ad Hoc Committee Membership

Ad hoc committee members may be appointed by the board. The board may request input from individuals or organizations, or it may seek volunteers to serve. Only the board or superintendent has the authority to appoint members to an ad hoc committee. Boards must follow the legal limitations or requirements regarding the membership of an ad hoc committee.

DEVELOPMENT OF POLICY

The board has jurisdiction to legislate policy for the school district with the force and effect of law. Board policy provides the general direction as to what the board wishes to accomplish while allowing the superintendent to implement board policy.

The written policy statements contained in this manual provide guidelines and goals to the citizens, administration, employees and students in the school district community. The policy statements shall be the basis for the formulation of regulations by the administration. The board shall determine the effectiveness of the policy statements by evaluating periodic reports from the administration.

Policy statements may be proposed by a board member, administrator, employee, student or member of the school district community. Proposed policy statements or ideas shall be submitted to the superintendent's office for possible placement on the board agenda. It shall be the responsibility of the superintendent to bring these proposals to the attention of the board.

NOTE: This is a mandatory policy.

ADOPTION OF POLICY

The board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two regular board meetings. The proposed policy changes shall be distributed and public comment will be allowed at both meetings prior to final board action. This notice procedure shall be required except for emergency situations. If the board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy shall be included in the minutes. The board shall have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

In the case of an emergency, a new or changed policy may be adopted by a majority vote of a quorum of the board. The emergency policy shall expire at the close of the third regular meeting following the emergency action, unless the policy adoption procedure stated above is followed and the policy is reaffirmed.

NOTE: This is a mandatory policy, but there is no legal requirement for the number of readings a board policy needs to have prior to its adoption by the board. The standard practice is two meetings, and this policy is written to reflect that practice. If a board holds fewer or more readings, the policy should be amended to reflect that practice. It is recommended the expiration date of an emergency policy be the number of meetings needed to adopt a regular policy plus an additional meeting.

If a policy is revised because of a legal change over which the board has no control, the policy may be approved at one meeting at the discretion of the board.

NOTE: This is a mandatory policy. Boards must review board policy at least every three years according to the educational standards. Boards can use any method they want for reviewing board policy. RULES OF ORDER

An orderly board meeting allows the board members to participate in the discussion and decision process on an issue confronting the school district. Rules of order for board meetings allow school district business and the relative information concerning the business to be brought to the attention of the board. A gathering of a majority of board members in which deliberation of an issue within the jurisdiction of the board takes place is a board meeting. A gathering for the purpose of social or ministerial action shall not constitute a board meeting unless a discussion of policy takes place. Meetings of the board shall be conducted in an open meeting unless a closed session is authorized by law or the meeting is exempt from the open meetings law.

CLOSED SESSIONS

Generally, board meetings shall be open meetings, unless a closed session or exempt meeting is provided for by law. The board shall hold a closed session or exempt meeting in the situations stated below.

Exceptions to the Open Meetings Law: Closed sessions take place as part of an open meeting. The item for discussion in the closed session shall be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, shall be made and seconded during the open meeting. A minimum of two-thirds of the board, or all of the board members present, must vote in favor of the motion on a roll call vote. Closed sessions shall be tape recorded and have detailed minutes kept by the board secretary. Final action on matters discussed in the closed session shall be taken in an open meeting.

The minutes and the tape recording will restate the motion made in the open meeting, the roll call vote, the members present, and the time the closed session began and ended. The tape recordings and the written minutes shall be kept for one year from the date of the meeting. Real estate related minutes and tapes will be made public after the real estate transaction is completed.

The detailed minutes and tape recording shall be sealed and shall not be public records open to public inspection. The minutes and tape recording shall only be opened upon court order in an action to enforce the requirements of the open meetings law. The board has complete discretion as to whom may be present at a closed session.

Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:
1. To review or discuss records which are required or authorized by state or federal law to be kept confidential or to be kept confidential as a condition for the board's possession or receipt of federal funds.
2. To discuss strategy with legal counsel in matters presently in litigation, or where litigation is imminent, if disclosure would be likely to prejudice or disadvantage the board.
3. To discuss whether to conduct a hearing for suspension or expulsion of a student, unless an open meeting is requested by the student or the parent of the student.
4. To evaluate the professional competency of an individual whose appointment, hiring, performance, or discharge is being considered when a closed session is necessary to prevent needless and irreparable injury to that individual's reputation and that individual requests a closed session.
5. To discuss the purchase of particular real estate, but only when premature disclosure could be reasonably expected to increase the price the board would have to pay for the property.

Exemptions to the Open Meetings Law

Board meetings at which a quorum is not present, or gatherings of the board for purely ministerial or social purposes when there is no discussion of policy or no intent to avoid the purposes of the open meetings law, are exempt from the open meetings law requirements. Since gatherings of this type are exempt from the open meetings requirements, they can be held without public notice, be separate from an open meeting, be held without taping the gathering or taking minutes, and be held without a vote or motion. The board may also hold an exempt session for the following:
1. negotiating sessions, strategy meetings of public employers or employee organizations, mediation and the deliberative process of arbitration;
2. to discuss strategy in matters relating to employment conditions of employees not covered by the collective bargaining law;
3. to conduct a private hearing relating to the recommended termination of a teacher's contract. However, the private hearing in the teacher's contract termination shall be recorded verbatim by a court reporter; and
4. to conduct a private hearing relating to the termination of a probationary administrator's contract or to review the proposed decision of the administrative law judge regarding the termination of an administrator's contract.
PUBLICATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure
citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall
set time aside for citizen participation, either at a specific time during the meeting or during the discussion
of agenda items. Citizens wishing to address the board on a certain agenda item must notify the
superintendent prior to the board meeting. Citizens wishing to present petitions to the board may do so at
this time. However, the board will only receive the petitions and not act upon them or their contents. The
board has the discretion to limit the amount of time set aside for public participation.

If the pressure of business or other circumstances dictate, the board president may decide to eliminate this
practice. The board president will recognize these individuals to make their comments at the appropriate
time. The orderly process of the board meeting shall not be interfered with or disrupted. Only those
speakers recognized by the board president shall be allowed to speak. Comments by others are out of order.
If disruptive, the individual making the comments or another individual causing disruption may be asked to
leave the board meeting.

Individuals who have a complaint about employees may bring their complaint to the board only after they
have followed board policy addressing citizens' complaints. Students who have a complaint may only bring
their complaint to the board after they have followed board policy addressing students' complaints.

GENERAL COMPLAINTS BY CITIZENS

The board recognizes that concerns regarding the operation of the school district will arise. The board further believes that constructive criticism can assist in improving the quality of the education program and in meeting individual student needs more effectively. The board also places trust in its employees and desires to support their actions in a manner, which frees them from unnecessary or unwarranted criticism and complaints.

Procedures for dealing with complaints concerning programs or practices should be governed by the following principles:

- where action/investigation is desired by the complainant, or where it seems appropriate, the matter should be handled as near the source as possible;
- complaints should both be investigated and, if possible, resolved expeditiously;
- complaints should be dealt with courteously and in a constructive manner; and,
- individuals directly affected by the complaint should have an opportunity to respond.

Specific procedures for handling complaints may be established in policies. The board, consistent with its board policy-making role, will deal with complaints concerning specific schools, programs or procedures only after the usual channels have been exhausted. Complaints regarding employees or complaints by students will follow the more specific policies on those issues.

When a complaint requiring attention is received by the board or a board member, it will be referred to the superintendent. After all of the channels have been exhausted, the complainant may appeal to the board by requesting a place on the board agenda or during the public audience portion of the board meeting. If the complainant appeals to the board, the appeal shall be in writing, signed and explain the process followed by the complainant prior to the appeal to the board.

PUBLIC HEARINGS

Public hearings may be held on school district matters at the discretion of the board. Public notice of a public hearing shall be in the same manner as for a board meeting except that the notice shall be given at least ten days before the hearing is to be held unless it is impossible or impractical to do so.

At public hearings, citizens of the district who register at the door will be allowed to speak on the issue for which the public hearing is being held. Others may be allowed to speak at the board’s discretion. Speakers are asked to keep their remarks as brief as possible. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board shall conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president. The board president will recognize the speakers. A board member may ask questions of the speakers after receiving permission from the board president. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings shall be asked to leave.

NOTE: If a board has specific procedures for public hearings, they should be included in this policy.

BOARD OF DIRECTORS' MEMBER COMPENSATION AND EXPENSES

As an elected public official, the board member is a public servant who serves without compensation. Board members shall be reimbursed for actual and necessary expenses incurred in the performance of their official duties.

Prior to reimbursement of actual and necessary expenses, the board member must submit a detailed receipt indicating the date, purpose and nature of the expense for each claim item. A credit card receipt is generally not considered a detailed receipt. Failure to provide a detailed receipt shall make the expense non-reimbursable. Personal expenses shall be reimbursed by the board member to the school district no later than ten working days following the date of the expense. In exceptional circumstances, the board may allow a claim without proper receipt. Written documentation explaining the exceptional circumstances shall be maintained as part of the school district's record of the claim.

It shall be the responsibility of the board secretary to compile the expenses of board members and bring them to the board for audit and approval in the same manner as other claims of the school district. It shall be the responsibility of the board to determine through the audit and approval process of the board whether the expenses incurred by a board member are actual and necessary expenses incurred in the performance of their official duties.

To Raymond Moreland/ Building Maintenance Manager,

This is my letter of resignation for the morning vacuuming position at the high school. After seeing the disrespect of the building by students, teachers, and the community, I am no longer interested in the position. I have a new respect for the custodial staff that not only has to clean but also has to pick up after those who choose not to pick up after themselves.
