Sidney Community School District has been provided federal grant funds to assist with COVID expense relief measures. The funds have been issued in a series of grants. The first grants were provided in full for immediate relief of expenses. ESSR II and ESSR III grants are provided as reimbursement after appropriate documentation is submitted as proof of those expenses. ESSR III funds must allocate 20% of the funds for projects to recover Learning Loss related to COVID. The other 80% may be used to further support the school's efforts to mitigate the effects of COVID and its expenses.
